Fun Facts on love

There are 1187 Songs with Love in the Title

Cuddling with the person you love can relieve physical pain

Late couple Herbert & Zelmyra Fisher broke the Guinness World Record for the longest marriage in history back in February 2011. They had been married for 86 years and 290 days at the time

Scientists have found that eating chocolate can momentarily make one feel the same way they do when they are in love by releasing serotonin

Where does the word love even come from? Apparently, from the Sanskrit word Lubhyati, which means desire

An average human will spend approximately 1,769 days socializing with someone they love

Most people will fall in love approximately seven times before marriage.

MEET STAFF MEMBERS OF THE MONTH: MARIA & WANDER SANCHEZ

By: Sherry Means

Wander and Maria have been happily married for 3 years although they have known each other for 27 years! They grew up on the same street in the Bronx, NY. Maria moved and they lost contact for many years but got back together through social media. They moved to SC 9 months ago and love the warmer weather. Maria is a member of our Dietary Dept. and Wander is a Maintenance Assistant. They enjoy nature and being outside to bird watch and take long walks. They are both very involved in their church and are strong in their Christian faith. They have worked together before and are glad to be here in different departments. They both stated that they love the residents and have grown very close to them- they consider them family. The residents have also have "adopted them". Thank you both for all you do for our residents and community.

We have the best Residents, Families & Staff!

Happy Anniversary to Our Valued Employees!

Loretta Lynch 2-8-11
Hannah Cutting 2-16-21
Margaret Bishop 2-16-22
Allyssa Jannusch 2-16-22
Cora Vance 2-17-22

Thank you ... 

Happy Birthday GOP Employees!

Myia Norris 2-3
Jamie Edwards 2-7
Cynethia Allison 2-10
Donna Castillo 2-11
Guerline Lafleur 2-27

HAPPY BIRTHDAY

RESIDENT SPOTLIGHT: The Baldwins

Barbara and Dick have been married for 68 years and together for 72 years; They are both Greenville natives and met at Greenville high. They both went to college after graduation -she to Converse, then Furman and he to USC. (Go Gamecocks!) They married after His graduation and he went right into the Air force where he was a jet pilot for three years. He then returned to USC and got his master's in business. They moved to Greer and raised their four children-2 daughters and 2 sons. Dick was a vice-president at Spartan Mills where he retired after over 31 years of service; He also stayed in the reserves and retired as a Colonel. They enjoyed socializing with friends and both were into their bridge club and Barbara loved to volunteer at school and the garden club. They also have 6 grandchildren- and said they had the most fun spending time with them when they were growing up. Also 7 great-grandchildren and 1 on the way. I asked any advice for such a long marriage and Barbara said to keep your mate as your primary focus and be helpful. Dick said just say "yes dear"! Happy Valentine's day

Our Wonderful Life Enrichment Team!

January 22-28 was Activity Professionals Week and we know we have THE BEST that there is! Thank you Devin for leading such a great group of people to enrich our resident's lives every single day; From socials, crafts, cooking, Bingo, entertainment, lunch trips (and the list goes on)- you all are there to uplift and put a smile on their faces. Thank you to Margaret Bishop (Memory Care Act. Dir.), Jennifer McBride (Skilled Care Activity Dir.), Joanie McKinney (Memory and Skilled), George Megee (transit, activities, welcome ambassador), Patricia Mahan (AL).

Refer A Friend!

Invite your friends to The Gables and if they join you as a neighbor, by moving in and staying for at least 90 days , you will receive \$1,000 off one month's rent.

There's no limit to the referrals that you can make, and it's easy to get started. Simply fil out a "Refer A Friend" card at the front desk and soon your friends will be joining you

Thank you 

February 17th is National Caregivers Day.

We have the best care staff and we appreciate all you do for the resident's and our community.
